

Thank you for reviewing our web site information! I am also a mother of two and understand the importance of finding a quality preschool. My staff is comprised of very educated women that primarily work part time, as they have families of their own. The team of teachers at Kids Connection is excited about the opportunity to educate your child. Please know that we are available to answer any questions via our email, calling or a tour.

BEGINDERGARTEN (5 by 1/1/08) Begindergarten is designed for students who are chronologically OR developmentally young and may not be ready for kindergarten OR students attending kindergarten desiring additional social/academic enrichment OR an older PreK student. It is *not* designed to replace the regular kindergarten program. The students will experience developmentally appropriate language/literacy (guided reading), fine motor (extensive writing/letter formation), pattern/sequencing, mathematics, science, creative arts, music and movement, open play and more. *High Hat Literacy* program used. Max 20 per class-3.0 hours.

Can you say ‘reference’? Begindergarten teachers not only teach skills, but encourage the independence of understanding where that reference may be for future learning. Forgot what a ‘K’ looks like, where do you think you can find it—would be a question our staff would ask.

The maturity of this group allows for the second half of the year to move into guided reading groups, address/phone number recognition and creative learning techniques to keep our five year olds on their toes.

We want our pre kindergarten age students to be ready academically and socially for a terrific experience in their elementary school experience.
