

***Thank you for reviewing our web site information! I am also a mother of two and understand the importance of finding a quality preschool. My staff is comprised of very educated women that primarily work part time, as they have families of their own. The team of teachers at Kids Connection is excited about the opportunity to educate your child. Please know that we are available to answer any questions via our email or by calling.***

**LEARNING BUDDIES** (3 by 9/1/08) Do you want another morning for your 3-5 year old? This is the class for your student. Focus will be on interactive center-based learning; mastering circle time, letters/sounds through large muscle/movement and creativity through the arts, open play and more. Max 20 per class-2.75 hours.

This is a great opportunity to add a morning to your child's schedule without repeating preschool classroom activities. Our students learn about letters by painting a huge letter K or painting like a famous illustrator. Each week is filled with fun and imaginative activities to give your student a fun-filled break, while we sneak some learning into their morning.
